

Student Start Pack

If you are a student or an undergraduate we offer you special packages for hosting your website, blog or forum.

Through our Special Start Pack offer you can make this come true with the minimum charge.

This offer is valuable for all students and undergraduates and its main purpose is having all those young people get involved with the world wide web and the world of web designing.

The offers duration is one year and starts and ends with the regular school year.

You can more info for this offer [here](#)
